THE CITY OF MIDDLETOWN BEING HONORED AS A HIGH-ACHIEVING PARTICIPANT IN CLEAN ENERGY COMMUNITIES

On Wednesday, October 14, 2015

Middletown, CT, – Mayor Drew is pleased to announce that the City of Middletown is being honored as a high-achieving participant in Clean Energy Communities.

Clean Energy Communities is part of the Energize Connecticut program through Eversource and the Connecticut Green Bank. A ceremony to celebrate the accomplishments of communities throughout the state will be held on Wednesday, October 14, 2015 at the Oakdale Theater in Wallingford. Communities will be recognized for efforts related to renewable energy, sustainability and energy efficiency. During the event, the City of Middletown will receive a plaque to commemorate the city's energy achievements.

The ceremony will include representatives from the Connecticut Department of Energy and Environmental Protection, Eversource, The United Illuminating Company and the Connecticut Green Bank, along with community representatives.

Mayor Drew commented, "This is an important recognition for the City of Middletown, and represents the collaborative contributions and dedicated efforts of both city employees and community organizations invested in protecting our natural resources and promoting energy efficiency."
