

Composting 101

Learn how to compost in your backyard and indoors with worms.

Wednesday , Sept. 18 2019

6:30– 7:30 pm

Hubbard Room,

Russell Library

Composting can be practically effortless!

- Learn how to set up and manage a home compost system with minimal effort;
- Food and yard wastes can be turned into a nourishing & free soil amendment;
- Worms can be your friends! Learn how!
- Find out how to troubleshoot and avoid problems and
- Become aware of the many benefits of compost!

Composting 101 is presented by Dan Martens, UConn Master Composter, and Hetti Motoc , Uconn Master Composter & Member of Middletown Garden Club, and Kim O'Rourke, Middletown Recycling Coordinator.

Join us and get a free reusable shopping bag! Available to the first 30 people who come to learn about composting!

For more information, contact the Middletown Recycling Coordinator at 860-638-4855 or kim.orourke@middletownct.gov.
