AMENDMENT TO INLAND WETLANDS REGULATIONS

Requiring Signs Prior to a Public Hearing – Adopted May 1, 1985

- 4.3 In any matter before the Agency requiring a public hearing, the applicant shall cause to be posted a temporary sign or signs, visible from the street notifying the public of said hearing. The sign(s) shall be the responsibility of the applicant and posted subject to the following conditions:
- A. The sign shall be posted seven (7) days prior to the day of the hearing. It shall be firmly secured to the ground or structure to prevent vandalism. If there is more than one frontage of the parcel on a street or streets, one sign for each frontage shall be posted.
 - B. The composition of the sign(s) shall be of a durable material (wood or metal) 40" x 40" in size painted white with black lettering having a minimum height of 4" with a letter stroke of 1".
 - C. The sign(s) shall advertise the date, time and place of the public hearing of the wetlands activity or boundary change.
 - D. Format of the sign(s) shall be obtained from the office of the Agency.
 - E. Any proponent who fails to display the sign shall be required to file a new application.
 - F. The sign(s) shall be taken down at least one week after the public hearing is completed.
