

**Middletown Water & Sewer Department**

**Memo to:** Joseph Samolis, Director of Planning, Conservation & Development

**Date:** September 9, 2020

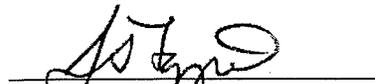

**Re:** SE 2020-5 Hartford Dispensary Root Center for Advanced Recovery  
392 Washington Street  
Medical Clinic  
Site Plan Dated: July 24, 2020; rev 9/2/2020

- A. Water and Sewer Department recommends the approval of this proposal provided the developer agrees to the following.
  - The existing building is connected to City water and sanitary sewer. The service number is 883.
  - The proposed changes does not indicate an impact to the existing site water and sanitary sewer connections.
  
- B. Water and Sewer Department does not recommend approval of this proposal as submitted.
