

Welcome to Middletown!

Important Recycling Requirements

In accordance with State law and Municipal ordinance, all residents, businesses, restaurants, institutions and schools must recycle certain items.

- Make sure your business has space inside and out for recycling containers. Your trash hauler will provide containers for trash and recycling.
- Mandatory recyclables include: Mixed paper, newspaper, magazines, paperboard, cardboard, glass and metal food and beverage containers, plastic containers, aluminum foil. Items must be rinsed and clean. NO FOOD. Please refer to the *What's In, What's Out* information sheet for full information on what goes in the recycling cart.

- In the Sanitation District corrugated cardboard is collected separately. Boxes must be separated from other recyclables.

Middletown's Bring Your Own Bag ordinance will take effect OCTOBER 1, 2019

Bring Your Own Bag Ordinance

In an effort to reduce plastic pollution, The City of Middletown has banned plastic check out bags and requires businesses, including restaurants, to charge ten cents for alternative paper bags. Please note all commercial businesses **must** be in compliance with this ordinance.
