**Ms. Reed:** Thank you for the kind invitation to participate in the Charter Revision hearing on May 5, 2021. After consulting with our UPSEU Union Representative, Daniel Bonfiglio, he, nor I, due to previous personal or professional obligations are available on Wednesday evening to attend. Also, our VP Andrea Gregg, is also on a much needed out-of-state vacation. Accordingly, we will need to pass on providing any in-person comments.

Please share this memo with the committee and thank the them for their hard work on these important topics. We look forward to any future discussions where we can positively contribute on behalf of our members.
