Good morning Sue

I was away on vacation, sorry for the delay. So for what I can see all the changes are within the Fedex property. My only concerns are that I have received numerous complaints about trucks not using the truck route and driving around looking for the main truck entrance. I'm not sure but I believe they are suppose too utilize the Industrial Park Road entrance. Other than that, I have no concerns.

Mike

Hi Mike,

Did you have time yet to review the amended plans for Fedex that we sent you on 6/3/21? If so, can you please email me your comments?

Thank you,  
Sue
