PUBLIC WORKS DEPARTMENT**

Engineering Division

July 22, 2021

As per request from the Planning, Conservation & Development Department, the following are comments and concerns that our department has in reference to the following application

SE 2021-6 #562 South Main Street

The City is contemplating adding sidewalks to Norfolk Street in the next two to three years. The planting along the Norfolk side of the parking lot are within the street R.O.W and will need to be removed when a sidewalk is constructed.
