**Middletown, Connecticut**

<p>1. Applicant Name and Address City of Middletown Department of Public Works 245 Dekoven Drive</p>	<p>2. Property Owner Information (If different than applicant)  n/a</p>
<p>Telephone during Business hours: 860-638-4857</p>	<p>Telephone during Business hours: n/a</p>
<p>3. Applicant's Interest in Property: (Circle One)  <input checked="" type="radio"/> Owner Developer  Option Holder  Other (describe)</p>	<p>4. Exact Location of Property: Name of Street (including Assessor's Map, Block, and Lot Number) Veteran's Memorial Park 200 Walnut Grove Road Parcel Id: 56 Map-Lot: 12-0188</p>
<p>5. Summary Description of Proposed Activity:  Pedestrian and vehicular access improvements related to renovations to pool and bathhouse. and activities related to construction of a new splash pad.</p>	
<p>6. Purpose of Proposed Activity:  Park improvements for the residents and visitors of the City of Middletown.</p>	

7. Activity Location and site plan showing existing and proposed conditions in relation to wetlands and watercourses. Location of activity should be shown on the City's wetland maps.

Number of acres of wetlands (or portion thereof) on the property: 0, zero

Total acreage of wetlands or linear feet of watercourse to be altered: 0, zero

Total area of impacted, regulated area: 20,100 s.f. (0.46 acres)

8. Estimated Time land will be disturbed during construction: 6-8 months

9. Check applicable activities occurring within 0-100 feet from wetland or watercourse:

Removal

Filling

Surface Water Diversion

Paving

Vegetation Removal

Discharge: Existing stormwater system  
Specify Type

Other: \_\_\_\_\_  
Specify Type

10. Explain in detail extent of any activity checked above and type of material:

Project will remove soil from existing lawn hillside to provide asphalt paved parking area. Soils will be regraded along hillside for construction of a new splash pad. Existing drainage structures will be replaced as needed. See project plan set.

11. Explain what alternatives have been considered in connection:

A greater extent of parking was considered and reduced. Gravel parking surface was considered but would add maintenance and likely more sediment deposit into river from runoff and flood events.

12. Identify any other local, State or Federal permits previously issued or that will be required for work on the property.

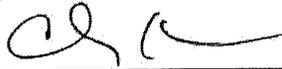

City of Middletown Planning and Zoning site plan approval

CT Department of Health – Application for Approval of Plans and Specifications for a Public Pool

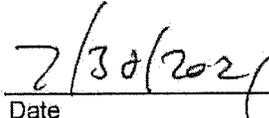

CTDEEP– General Permit for The Discharge of Swimming Pool Wastewater

To comprise a complete application, the following must be submitted to the Inland Wetland and Watercourses Agency: twenty (20) copies of this application form; and, twenty (20) copies of the site plan and any supporting documentation. It is requested all permit applications should be submitted eight (8) days prior to the next scheduled Agency meeting to insure consideration at that meeting.

13. The undersigned is familiar with all the information provided in this application and is aware that any permit obtained through deception, inaccurate, or misleading information is subject to revocation.
