

To whom to be concern

Hookah lounge are commercial establishments where people gather to smoke flavored tobacco from a hookah pipe . Other names for a hookah bar includes hookah lounge, hookah cafe.

Hookah den, and shisha bar. At hookah lounge , guests relax and socialize while smoking shisha , a tobacco product available in many flavors , in hookahs . Hookahs are large glass water pipes that can have one or more smoking hoses A hookah is made up of a rubber hose , pipe , bowl , and smoke chamber . Tobacco is heated on coals or charcoal, and it may have flavors added to it, like apple, mint, licorice, or chocolate.

A hookah isn't designed for marijuana or other types of drugs. Hookah smoking won't get you high , there is nothing in a hookah that can make you high . It is a simple device that produces smoke which gets filtered through water before inhaled by the user.

A hookah lounge is different from any cafe or restaurant where you can enjoy , drinks and music. you can order hookah or shisha for yourself or the entire group you are hanging around.

Hookah is often smoked in small groups , so you'll probably find the lounge is able to accommodate that with bean bag chairs or comfortable couches grouped around the hookah table . lone patrons can easily order hookah for one, as well. If another person wants to join in later , an additional line is simply added to the hookah pipe.

A "hookah" is a waterpipe used to smoke "shisha," a combination of tobacco and fruit or vegetable that is heated and the smoke is filtered through water. The hookah consists of a head, body, water bowl, and hose. The tobacco or shisha is heated usually using charcoal.

Hookah smoking is a centuries-old tradition and is often social , with two or more people sharing the same water pipe. If used in a commercial establishment , such as a café , lounge , or restaurant , the hookah is ordered , often from a menu of flavors and prepared from in - house stock.

Hookah lounge normally charge for each shisha bowl or flavor that you order . The price could also vary depending on hookah base , number of hoses and the design of hookah you intend to use .

Hookah lounge is highly accurate for what goes on at this business. While there is music , and some people dance , many are there to relax , people watch , and socialize .

Hookah lounges currently operating do not serve alcohol or food , BYOB NO ALCOHOL ALLOWED AFTER 2 AM.

Every person who approached the door showed ID and received a pat down for drugs and weapons are common in many nightclubs and bars that have security. The venue has a responsibility for the safety of their patrons , and it is reasonable and prudent to take this basic precaution to ensure that no one is bringing a weapon inside . It was clear from the reaction of the patrons that they found the pat down to be expected and normal. Security carried them out with obvious competence .
