Allergen Awareness Wording and Signage

- Post a statement on menus, on the menu board, or at the counter where food is ordered. The following are suggestions for statements that you can use:

“Before placing your order, please inform your server if a person in your party has a food allergy.”

“Please alert staff if you have a food allergy. Products at this station may contain or have come in contact with: Peanuts, Tree Nuts, Eggs, Milk, Wheat, Soy, Fish, Shellfish, or Sesame.”

- Post in lettering that is no smaller than the smallest font on the menu board or in the menu. The customer needs to be able to read it.
