

Curbside Bulk Waste Collection

Curbside Bulk Waste Collections are available for \$75 per pick up. Mattresses and box springs are an additional \$36 per unit. Mattresses and box springs must also be bagged. Bags are available at Public Works in City Hall.

This charge is applicable to all residents, including those within the City Sanitation District. There is no free bulk pick up.

Residents can pay in person at City Hall in the Dept. of Public Works any weekday from 8:30 am – 4:30 pm. Payment can be given in cash, check, or credit card (Visa or Mastercard only). Payment by check can also be mailed to the Dept. of Public Works, 245 Dekoven Drive, Middletown, CT 06457. If mailing, be sure to include the location of pick up and contact information, including phone number.

Once payment has been received, the address will be placed on the list for pickup. Collection will occur within 1-7 days, so bulk waste should be placed at the curb prior to payment.

All acceptable items should be placed neatly at the curb in separate piles. Acceptable items included wood, metal, brush, furniture, tires (max of 4) and appliances. Large plastic toys are acceptable. Electronics—TVs, computers, and accessories—are NOT acceptable with bulky waste.

Do NOT include any hazardous material, paints, recyclables, regular household garbage, roofing or carpeting with the bulk waste. Only limited amounts of demolition or renovation material will be accepted. If unacceptable items are left at the curb, they will not be collected.

Each bulk waste pickup allows for one truckload per payment, but residents can order collections as often as needed.

Brush is picked up free of charge. Brush must be less than 6" in diameter and cut to 3' lengths. Call 860-638-4850 for brush pick up. In the Sanitation District, brush must be cut to three foot lengths and tied with string.

Please note both bulk waste and brush pick up are suspended at certain times of the year (see side panel).

Bulk waste and brush collections are suspended October to March to accommodate the leaf pickups and winter operations.
