

# Sanitation District Cart Collection Schedule: Garbage and Recycling

Garbage (orange bags) and food scraps (green bags) both go in the regular trash cart which is collected every week. Recycling goes loose in the blue recycling cart and is collected every other week. Take note if your street is on **Route A** or **Route B** for recycling. **DO NOT BAG YOUR RECYCLABLES.** Need to know what to recycle? Go to [www.recyclect.com](http://www.recyclect.com) or use the QR Code to the right. For more information on the orange and green bag program go to: [www.middletownct.gov/201/Sanitation-Division](http://www.middletownct.gov/201/Sanitation-Division).

# Sanitation District Policies

Landlords: Please share this with your tenants!

Please note the Sanitation District does not operate on these holidays:

**Independence Day • Thanksgiving Day • Christmas Day • New Years Day**

*All other holidays, customers should place their carts out on their regular collection day.*

## Important policies:

- All trash must be in bags. Cart customers must use official city orange bags for trash and green bags for food scraps. Both color bags go in the same cart.
- Recycling must NOT be bagged. It must be loose or in paper bags in the blue recycling carts or dumpsters.
- No bulk material or yard debris in trash carts or dumpsters. The material must be brought to the recycling center or picked up for a fee.
- Corrugated cardboard should be flattened and bundled and placed next to recycling carts.
- Mops, rakes, brooms and shovels should be tied together and placed on the ground next to carts. Call 860-638-4858 to let us know its out for pick up.
- Carts must be removed from the curb 24 hours after pick up.
- The Sanitation District offers free curbside cart collection for restaurants and businesses that generate larger amounts of organics. Take advantage of this and reduce your costs!

All policies can be viewed at <https://www.middletonct.gov/201/Sanitation-Division>

## To our customers using City Dumpsters:

***The Sanitation District has kept charges low for as long as possible, but we are unable to continue to do so.*** Rates for dumpsters will be raised by 15% to accommodate the increasing costs for disposal and operations. This is the first rate increase in over six years and rates will have to be increased incrementally over the next few years to adjust to increasing costs.

***The City offers waste reduction services to help customers manage their costs.*** If you haven't already, try these strategies or contact the City Recycling Division to schedule an on-site visit.

***Choose the right size dumpster.*** Many businesses use dumpsters that are too large, and end up paying for space they don't use. Consider switching to a smaller dumpster!

***Recycle properly.*** Save space in the trash by learning everything that can be recycled. Check [www.recyclect.com](http://www.recyclect.com) if you're unsure about an item.

***Utilize the free food scrap service through Blue Earth Compost.***

Visit [www.middletonct.gov/1272/Feed-The-Earth-Middletown](http://www.middletonct.gov/1272/Feed-The-Earth-Middletown) for more information.

***Signing up for a waste training for personalized tips on how your business can reduce waste.***
