

Commission on Conservation & Agriculture

Resources on Farming, or starting a farm in Middletown CT

Department of Land Use

- Land Questions (Zoning, Soils, Land for Lease, mentors)
- Documents (Wetlands Maps, City Forms)

(Note: Wetland Maps are not always accurate, because wetlands can change. If any concerns about wetlands, property owners will be instructed to hire a soil scientist to delineate the wetlands)

State of Connecticut Department of Agriculture

- State Statutes, Regulatory Services, Board, Commission and Services
- Grants
