Dear Middletown Waste Hauler or Contractor,

Attached please find the 2025-26 **Registration and Licensing forms** for your collection vehicles operating in the City of Middletown. *Please note these forms have been updated from last year.*

Per CGS Sec. 22a-220a, all companies transporting any type of waste material must **register** in the municipalities where they operate. **All companies must complete the attached registration form.** There is no charge to register.

The recycling center only accepts material generated in Middletown and loads under two tons. All vehicles must have a sticker to enter the recycling center. The Director of Public Works reserves the right to refuse service for any reason.

Registration and licensing forms must be returned to:

or emailed to: recycling@middletownct.gov.

Payment can be made by check or in person, at the Middletown Department of Public Works, 245 Dekoven Drive, Room 210. Stickers will be mailed once forms are approved.

All waste haulers operating in the City must also submit a yearly report by July 31st in accordance with CGS 22a-220a(d). The report form can be found here: www.ct.gov/deep/SolidWasteReporting.
