Woman's Work is made easier and less laborious by means of the practical conveniences bestowed by a Gas Range. Ironing day loses its terrors, as the fire is just what is needed, and there is no superheated kitchen or laundry, while great saving is made in fuel and an entire absence of dust and dirt of a coal fire is done entirely away with.

The Dangler Gas Range, one of the best ranges on the market, we will put in and connect up in complete running order for $16.00. Call and see our gas appliances.
