## ELM CITY MILITARY INSTITUTE.

## BOARDING and DAY SCHOOL.

1575 Chapel St., New Haven, Conn.

WILLIAM H. STOWE, Principal.

The PRINCIPAL, who was for SEVENTEEN years connected with the Faculty of the

## COLLEGIATE AND COMMERCIAL INSTITUTE,

conducts the work upon the same plan which the late General Russell so long carried out at that well-known institution.

The school is located in one of the healthiest and most pleasant parts of the city, in a building fitted with modern improvements, and no pains will be spared to make it an attractive and comfortable home for the pupils, as well as to maintain the highest standard of scholarship.

The school is designed to secure for boys, at as early an age as possible, a *thorough elementary English Education*; and, upon this as a basis, to give an *accurate and complete preparation* for the *Academical and Scientific Departments of Yale College*; for the *United States Naval and Military Academies*, or for any *Business Pursuit*.

The Boarding Department is intended for pupils who do not reside with near relatives in New Haven, and to secure to them those family advantages and that paternal care and moral and religious discipline which their age so obviously demands, and without which so many are ruined physically and morally, while ostensibly pursuing their studies in Schools and Colleges.

*The time of greatest danger to boys is outside of the ordinary hours of a day-school.* This school provides care and supervision that extend equally through the twenty-four hours of the day, securing—as cannot be done in any private family—abundant and wholesome exercise and amusement for the play-time, and safety, by thorough inspection during the hours of rest.

TERMS: Day Pupils \$63; Boarding Pupils, \$400 per annum.

For further particulars address the Principal.
